Friend Garrison

" The Bells  
have rung out the news  
of the passage of the Anti  
Slavery Amendment to the  
Constitution. Now will  
you come down here  
the 22 of this Month and  
give us a talk in your  
native City. We will  
get Whittier to write  
a Poem we will have  
a Box of Music and  
a good time. I have no  
time to day to say more  
Say you will come and  
we will get Ch Hall  
and have a grand  
time. Write me by

the earliest mail you can  
that we may get up  
a meeting. The people  
are earnest to hear. God  
be thanked that I heard  
his still small voice of  
his spirit and for years  
have been found worthy  
to be called an abolitionist  
and kicked out of my church  
home for remembering the Slave.  
Thank God for what we see  
and hear.

Very truly  
R. Turner
